

To My Child and Adult Orthodontic Family,

While your children have been growing and changing here at Child and Adult Orthodontics, I have realized that I have undergone a change too! Since joining the practice in 1990, I got married, raised three children, and have recently welcomed a grandchild! Just as each patient with their refreshed smile begins a new phase of their life, a similar time has come for me. Therefore, it is bittersweet to announce that I will be retiring at the end of May to embark on this new phase of my life.

I will be remaining in the area and will always be available for consultation as Drs. Burzin & Geiman continue to care for those whose treatment I am unable to finish in a timely manner. In fact, we have arranged for you to meet with them and me at your upcoming appointments so I am able to assist with this transition.

I will truly miss you all! One of best things in my life has been to be able to be your orthodontist! I have wonderful memories! I hope your memories of me include professionalism, sensitivity and compassion. Thank you for entrusting me with your care!

So, in closing, wear your retainers and keep smiling!

Sincerely,
